

Mr. Minsu Jeon

Technical Manager

**IALA**

- As the Technical Operations Manager at IALA, Minsu JEON has the responsibility of supporting and coordinating the technical Committees' work and representing IALA in a technical capacity to international organizations such as IMO, IHO, PIANC, and others.
- Before joining IALA, Minsu worked as the Regional Safety Navigation Adviser at the Pacific Community (SPC) in Fiji, where he contributed to improving safety awareness and standards in the Pacific region.
- Minsu also previously worked with the Korea Institute of Aids to Navigation (KAtoN) before 2016.
